

As a member of National League of Cities (NLC), the City of Seattle offers residents a FREE prescription discount card that provides savings off the retail price of prescription medication. Currently, residents in more than 560 cities across the country have received savings of over \$9 million to-date.

Now residents of Seattle who are without health insurance or a traditional pharmacy benefit plan, or have prescriptions not covered by insurance have a solution to obtain medications at a discount. The discount cards are widely accepted at all national chain pharmacies and most local independent pharmacies.

The benefits of the NLC Prescription Discount Card Program include:

- Average savings of 23% off the retail price of prescription medication
- Easy access - nine out of 10 pharmacies participate in the program, more than 60,000 pharmacies nationwide
- No enrollment forms or fees
- No membership fees
- No limit on how many times the card can be used
- No age requirements
- No income requirements
- ALL family members are covered
- Pet medications that are also used to treat a human condition are covered

City of Seattle Prescription Discount Cards are available at locations throughout the city or may be printed from any computer. Go to www.caremark.com/nlc; click "Print A Card Now" and type Seattle in the search box.

For program information, to locate a pharmacy, or look up a drug price, visit www.caremark.com/nlc or call toll-free 1-888-620-1749.

This is not insurance. Discounts are only available at participating pharmacies. By using this card, participants agree to pay the entire prescription cost less any applicable discount. Savings may vary by drug and pharmacy.
